LUXURY ON THE MOVE

POWER, PRECISION AND STYLE

WELCOME TO ALIV VELO

Engineering the Future of Luxury Mobility

At ALIV VELO, electric mobility is more than engineering; it is an art form. As a specialised electric mobility brand under Urban Axis Ventures, we design and deliver high-performance electric vehicles that combine modern automotive aesthetics, whisper-quiet electric performance, and bespoke luxury.

Built to rigorous international quality standards in collaboration with world-class manufacturing partners. Every ALIV VELO vehicle reflects precision engineering, long-term durability, and timeless comfort. Whether delivering an exceptional guest journey across premier resorts or elevating daily play on world-class golf courses, ALIV VELO sets the benchmark for luxury on the move.
